

Couples Facing Multiple Sclerosis (MS)

PARTICIPANTS NEEDED!

If you have been diagnosed with MS and are in a relationship, we invite you and your partner to take part in our study.

This is a research study about understanding some of the illness-related symptoms, relationship quality, and stressors that patients with multiple sclerosis (MS) and their partners may experience.

Participants who take part in the project can expect...

1. A short phone call to make sure that you are eligible to be in the study.
2. To complete a 60-minute web-based survey that will include questions about how multiple sclerosis has affected your life and your relationship.

To take part in the study, you must...

1. Be diagnosed with MS or be the partner of an individual who has MS.
2. Have been in the relationship with your partner for at least six-months.
3. Both you and your partner agree and consent to participate in the study.
4. Be able to read and speak English.

*Inquiries will be kept **CONFIDENTIAL***

To be a part of the study, please call or email Karen Zhang
Phone: 1-866-643-7604 E-mail: MSOutcomes@psych.ryerson.ca

You will each receive a \$40 gift card for your time.
