

Exciting News: Saturday Finish Line and activities are moving to the Camrose Regional Exhibition Grounds – home of Big Valley Jamboree!

This year, Saturday's finish line and all Saturday evening activities will be taking place at the Camrose Exhibition Grounds. Instead of cycling to Augustana as in previous years, you'll head straight to the exhibition grounds. Now all of our Saturday activities including a day 1 finish line, TeamMS Rider Village, bike storage, beer gardens, massage therapy, \$1000 Club Cocktail Hour, and the Dinner and Dance will all be held in the exact same place.

Camrose Regional Exhibition Grounds Questions and Answers

Why are we moving to the exhibition grounds?

- Tons of fully licensed camping room.
- Larger facilities to store bikes and luggage.
- Ample space for motor homes, trailers and RVs.
- Huge indoor facility for the dinner and dance as well as Sunday breakfast.
- A site that will enable us to continue to grow the Tour and raise more money to end MS.

Would I be better off camping at this year's Tour?

Yes! If you choose the camping option for this year's Tour once you arrive at the exhibition grounds you won't have to go anywhere else. Simply throw your bike into storage, pick up your luggage, set up your tent and let the party begin!

Will I still be able to get a dorm room at Augustana?

Yes. Our usual amount of dorm rooms will be available at Augustana Campus. We will have shuttle busses running between the exhibition grounds and Augustana on Saturday and will also have shuttle busses taking cyclists back to the exhibition grounds Sunday morning.

Where are the exhibition grounds?

The exhibition grounds are located only 3 kilometers east of Augustana Campus.

How will we cycle into the Exhibition Grounds?

When entering Camrose simply stay on highway 13 (48 Ave) to the very east side of the city then head south on RR 201. The exhibition grounds will be on your right hand side!

Will Shuttle Busses still be running to Hotels in Camrose?

Yes. Shuttle busses will still continue to make loops from the exhibition grounds to select Camrose Hotels on Saturday. Shuttle busses will also take cyclists from their hotels back to the exhibition grounds Sunday morning. Please check with your bus driver for details.

Since this year's dinner and dance venue is larger than ever before, can my friends and family join us for supper?

No. Because we get all of our food sponsored for the Tour, complimentary food is only available for registered participants who have raised the minimum pledge amount. Friends and family who will be in Camrose to cheer their participants on are encouraged to bring their own food. Friends and Family, however, will be allowed into the dance after 8:00pm.
