

John Soars

Brief Abstract and Title:

Developing the MS Community

This session will involve a power-point presentation on the evolution of the MS Community followed by an interactive question and answer on the future of Community in the Alberta Division and Edmonton Chapter. Attendees will be invited to share their views on Dr. Al Condeluci's keynote presentation and how it assists in development of the MS Community going forward.

Learning Objectives:

At the end of this presentation participants will:

1. understand the history of MS Communities in Edmonton Chapter,
2. understanding how the information in the Keynote Presentation by Dr. Al Condeluci connects with the process the MS Communities has been implementing,
3. have input into the future plans for MS Communities from the participants of gathering, and
4. come to an understanding and agreement on future steps.

Prior to coming to the MS Society John worked for 30 years for a major telecommunications organization. Major job categories performed during that time were in Human Resources Management and as a Process Consultant within the Quality Division. The skills in human resources, team building, facilitation, consultation and process management have proven valuable during his 7 years as Client Services Coordinator with the Edmonton Chapter of the MS Society.
