**ENERFLEX  
MS WALK**

EVERY STEP MATTERS.

## YOUR STEP MATTERS. Thank YOU!

You took a step to end MS! On May 15th you helped raise **\$650,000 in the Edmonton Enerflex MS Walk**. Whether you walked on your own or with friends, family and co-workers, you played a vital role in supporting people in our community who live with MS. The steps you took, together with the steps of 2000 other walkers and volunteers, made a loud and powerful statement that “together we will end MS.”

We are still shy of our fundraising goal and encourage you to send in any final pledges. Your pledges help provide vital services for individuals and families affected by MS in our community. Proceeds also help fund MS research to find a cure. Because you walked and raised pledges, we are able to offer MS wellness programs that help people achieve the quality of life they deserve.

Your impact at this year's walk was unforgettable as you packed the square with family, friends and co-workers. **Thank you for your support, and know that you ARE making a difference in the lives of those with MS.** Please register and fundraise again next year and bring a friend! We are all in this together as we try to end the effects of this devastating disease.

## Your STEP making a difference: MS Teen Escape

### Fun, friends and support .....

During the weekend of June 3-5, 19 teens from around the province got together for the 10th Annual MS Teen Escape held at Gull Lake, near Red Deer. It was a chance for teens affected by MS to participate in fun educational and recreational activities, and mingle with new and old friends alike.

*“What I really like about Teen Escape is the support. It really helps to open up and be around people who go through the same thing as you do. You have people at school and people in your everyday life, and sometimes they don’t really understand what it’s like to have a parent with MS and how hard it can be. I really like coming here because we all have that in common. We meet people here and most of the time we stay in touch and talk throughout the year.”*

-Bria

.....

*“I love coming to MS Teen Escape because of all the activities we do and we get to learn about MS without it being a boring classroom scenario and you get to meet new people.”*

-Haley

.....

*“I really like it because of the support and all the friends you meet because you do stay in touch with them all year and you can talk to them whenever you want.”*

-Stephanie

.....

*“What I like about Teen Escape is the fun activities, the food and how nice all the people are.”*

-Cody

# Another outstanding year for our top fundraisers!

2

Congratulations to our committed participants and teams for another great year! These top fundraisers are worth more than mentioning. We can't thank you enough for all your hard work and spirit. We couldn't do it without you!
