

Have you had Multiple Sclerosis for more than 20 years? Are you over 55 years of age?

Would you like to take part in a research study?

We are looking for people to take part in a survey studying health, lifestyle and living with MS. We hope to learn more about staying healthy and active with MS.

- The survey takes about 45 minutes to complete
- It is completely anonymous
- It includes a self addressed stamped envelope for easy return

For more information about the study or to ask if you can take part, please contact:

Dr. Michelle Ploughman, Clinical Research Scientist,
