**CHANGE OIL
CHANGE A LIFE**

Founder's Day, May 9, 2009

\$5 FROM EVERY OIL CHANGE GOES TO MS RESEARCH.

Every day, three people in Canada are diagnosed with Multiple Sclerosis. Your donation goes to support research that will one day find a cure. Donate today at Mr. Lube or online at www.mssociety.ca

Did you know:

- ◆ Canadians have one of the highest rates of multiple sclerosis in the world.
- ◆ MS is the most common neurological disease affecting young adults in Canada.
- ◆ Every day, three more people in Canada are diagnosed with MS.
- ◆ Women are more than three times as likely to develop MS as men.
- ◆ MS can cause loss of balance, impaired speech, extreme fatigue, double vision and paralysis.
- ◆ We don't know what causes MS but researchers are closer to finding the answer.
