

What are the benefits of membership with the Multiple Sclerosis Society of Canada?

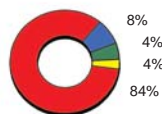

Your Membership . . .

- Entitles you to receive national, provincial and local MS Society newsletters.
- Affirms your support of research into the cause, treatment and cure for multiple sclerosis.
- Provides access to programs and services such as educational conferences and funding programs.
- Initiates awareness and advocacy programs to inform Canadians about multiple sclerosis.
- Provides you with current information on research and activities of the MS Society of Canada.
- Gives you the opportunity to vote at the Annual General Meeting and elect Board members.
- Membership also qualifies you for future election to the Board.
- Being a member is an opportunity to meet other people affected by MS to gain support and learn from their experiences.

Where does the money come from to support MS research and services?

Since our founding in 1948, the core support of the MS Society has been from tens of thousands of dedicated individuals, companies and foundations in communities across Canada.

How We Can Work Together To End MS

While progress continues in the areas of research and drug treatments, the cause and cure of multiple sclerosis are still unknown. The Multiple Sclerosis Society of Canada is driven to find a cure for MS and is a major funder of vital research.

Meanwhile, individuals and families are living with multiple sclerosis. The MS Society also raises funds so that we can continue to offer education, funding and support programs to people living with MS and their families.

The MS Society is the only non-profit organization in Saskatchewan dedicated to supporting people affected by multiple sclerosis.

The Mission of the Multiple Sclerosis Society of Canada	To be a leader in finding a cure for multiple sclerosis and enabling people affected by MS to enhance their quality of life.

Client Services

Client services in Saskatchewan include:

- Support and consultation
- Accurate and up-to-date information
- Community referral
- Self-help groups for support
- Educational workshops and conferences
- Funding programs
- Social, fitness and recreational activities

You're Connected

From the time of diagnosis, the MS Society is there to provide reassurance, information, support and practical assistance. You don't have to be a person with MS to be a member.

We can make a difference in your life, whether you are living with MS, you're a family member or a friend of someone with MS, or if you are a health care professional who treats people with MS in your practice.

How To Help

Become a Member

Membership ensures that you are kept up-to-date about multiple sclerosis research, treatments and MS Society of Canada activities. The annual household membership is only \$5.

Become a Volunteer

The MS Society is a volunteer-driven agency. Volunteers are always needed for help with special events, office tasks and to serve on boards or committees.

Give a Donation

Financial support is necessary not only for research, but to fund programs and services which help to enhance the quality of life for persons affected by multiple sclerosis. For every dollar we spend on client services, we strive to spend one dollar on research.

MS is too big to face alone, but the Multiple Sclerosis Society of Canada is here to ensure that no one has to.
