Our Mission

To be a leader in finding the cure for multiple sclerosis and enabling people affected by MS to enhance their quality of life.

Your time is precious...

We'll use it wisely

Become an MS Society Volunteer

MS Facts

What is MS?

Multiple Sclerosis (MS) is an unpredictable, often disabling disease of the central nervous system (CNS). The disease attacks the protective myelin covering the CNS, causing inflammation and often destroying the myelin in patches. In its most common form, MS has well defined attacks followed by complete or partial recovery.

Quick Facts

- MS is most often diagnosed between the ages of 15 and 40
- Canada has one of the highest rates of MS in the world
- 3 times as many women as men have MS
- Every day 3 people are diagnosed with MS
- There are 55,-000—75,000 people living with MS in Canada

Help us end MS

Volunteers are key to the success of the MS Society of Canada.

Volunteers are truly the lifeblood of the MS Society. Why not join the team that makes a difference each and every day for those in your community with MS?

The MS Society has a volunteer opportunity to meet your needs and availability. Whether it's serving as a director on the board, pitching in on the day of a fundraising event, or being an office volunteer, we've got the job that's right for you.

Opportunities

We've got the opportunity and training for you to make a difference.

Volunteer Positions

Some of the positions we have available include:

- Event Day Volunteer
- Office Volunteer
