Thank you for registering for last year's Saskatchewan Blue Cross MS Walk! Your commitment, enthusiasm and fundraising will help us end MS. This passion, coupled with the MS Walk's re-energized look and spirit, will enable Saskatchewan walkers to top last year's achievement of raising over \$750,000.

We are asking you to once again get involved and participate in your community Saskatchewan Blue Cross MS WALK and help us raise the necessary funds to assist us in meeting our mission - to be a leader in finding a cure for Multiple Sclerosis and enabling people affected by MS to enhance their quality of life.

How about recruiting three or more family, friends or co-workers and becoming a part of TeamMS? Register and raise funds on-line and you will have the opportunity to win some great prizes.

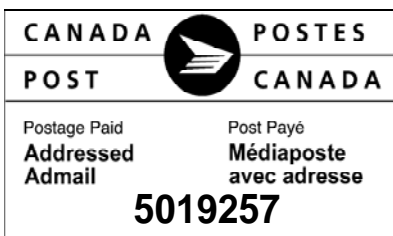

The 2010 WALK dates have been set and we have been working hard to produce a fun event to thank you for all of your fundraising efforts!

How to Register online:

Check out our website at www.mswalks.ca and click on the register.login.pledge icon.

Why register online?

1. Create your own mini web site to tell your donors why you WALK!
2. You can view your pledge dollars to date and work on a strategy to reach your goal.
3. Invite others to sponsor you online. There is an option to send an online donation form to your contact list. Your friends will receive their receipt by e-mail within 48 hours. By inviting your friends to sponsor you online, you also direct them to our website that will give them more information about multiple sclerosis and where your pledge dollars will go.
4. Invite others to join your team. Ask 3 friends or coworkers to join your team and the possibilities are endless! Receive more perks for being on a team, have more fun building team spirit, win some cool prizes, and enjoy a day in the park with some close friends or family.
5. Team Captains can check how many team members have registered, or send e-mails to their entire team!
6. Print off your personalized pledge sheet as many times as you need.
7. If you move or get a new e-mail address, you can change your profile at your own convenience.
8. **The online system saves the MS Society thousands of dollars each year in processing and therefore more of the dollars you raise go directly to help us end MS!**
