MULTIPLE SCLEROSIS SOCIETY OF CANADA

CLINICAL AND POPULATION HEALTH PILOT GRANT

ONLINE APPLICATION GUIDELINES

Revised July 2017
1. **ONLINE APPLICATION PROCEDURE**

The MS Society of Canada (MSSC) uses an online research grants and awards management system that enables researchers to submit, and review, applications on the Web. The system is called [Easygrants](https://www.mscanadagrants.ca) and can be accessed through the following website:

**https://www.mscanadagrants.ca**

Interested applicants must create a profile on Easygrants through which they can complete the application process. Important things to note:

- Interested applicants must first create a profile on Easygrants. If you have already created a profile and forgot your password, please contact msresearchgrants@mssociety.ca or select **Forgot Your Password?** on the home page.

- Please review the MSSC Pilot Grant [Program Guide](#) and [Policies](#) prior to submitting an application. If you have any questions regarding edibility, please contact msresearchgrants@mssociety.ca.

- Please ensure that your contact information (institution, primary address, phone number and e-mail) are **correct** and **up to date**. It is the applicant’s responsibility to ensure the submitted application contains all required components.

2. **PILOT GRANT APPLICATION**

Below is a list of required information and documents as part of the pilot grant application. Satisfactory completion and submission of all documents is required for consideration in the competition. **Failure to submit all required documents will result in an incomplete application and it will be disqualified from the competition.**

2.1. **FIELDS TO BE COMPLETED IN EASYGRANTS**

**ELIGIBILITY QUIZ**

- Applicants must successfully pass the Eligibility Quiz to access the application.
- False information will result in an application being disqualified

The following fields are to be completed in Easygrants. Ensure all word limits are adhered to, additional words will be removed. Do not copy and paste fields into Easygrants.

ADDITIONAL INFORMATION

- Indicate whether this is a New application or a Resubmission. A pilot grant application can only be re-submitted once, for a total of two submissions.
- Select one of the following themes that apply to the project. This information will
be used to track funding trends over time.

1. **Symptom management and quality of life** (epidemiology, comprehensive care, pain and fatigue, exercise and diet, cognition, etc.).
2. **Mechanisms of disease** (pathophysiology, inflammation, neurodegeneration, myelin repair, cell and animal models, etc.).
3. **Therapy and clinical tool development** (clinical trials, drug repurposing, diagnostics, imaging, health-based technological applications, etc.).
4. **Cause and Risk Factors** (genetic, lifestyle, environmental, biological, etc.).

### 2.2. UPLOADS

The documents that may be uploaded for this application are listed below. Note that some uploads will have templates available in Easygrants. Please log in to your account to view the templates in the Uploads section. Ensure all pop-up blockers are off when accessing the templates. **Do NOT** upload any password protected, secured or encrypted documents as they will not upload properly to your application.

**Format:** Single spaced, Times New Roman 12 points; margins are ½”; **Pages in excess of the limit will not be reviewed.** All uploads must contain relevant headers within the documents; e.g. **Scientific Summary of Research Proposal, Research Proposal, Impact and Relevance to MS etc.**

**Scientific Summary of Research Proposal**
- Provide a scientific summary of the research proposal.
- One (1) page maximum.

**Research Proposal**
- Provide a detailed research proposal including rationale, previous findings (if applicable), hypotheses, scientific aims, and methodology.
- Five (5) pages maximum. Any content beyond five (5) pages will be removed from the application and will not be reviewed.

**References and Figures**
- Include any references, tables, charts, figures, or photographs that support the research proposal.
- No page limit.

**Expected Outcomes and Next Steps**
- Describe why the pilot project is novel and how it will generate new data and open new avenues of research in MS.
- Explain how the data generated will be used to spur subsequent relevant studies and why this pilot project in particular is critical to advancing ongoing research in this area of interest.
- One (1) page maximum.

**Impact and Relevance to MS**
- Describe your project using non-scientific, plain language.
- Indicate how the proposed research can improve the health and quality of life of people affected by MS, uncover important knowledge of the physical, emotional, psychosocial and societal impacts of MS, and how it may advance clinical practice, healthcare delivery and policy, and the MS field overall.
- One (1) page maximum.

**Addressing Reviewers’ Recommendations (for resubmissions only)**
- Compulsory for resubmissions. A pilot grant application that was *unsuccessful in the previous competition* is considered a resubmission. A grant application can only be submitted a total of two (2) times (1 submission and 1 resubmission). See [MSSC Pilot Grant Program Guide](#) for further details.
- State how the reviewers’ concerns (both scientific and lay), as outlined in the written critiques from the previous competition, have been addressed in the current application. **The previous reviewers’ comments will be provided to the review committee to ensure that concerns have been addressed.**
- Two (2) page maximum.

**CV**
The applicant is required to upload the CV of the Principal Investigator and Co-Principal Investigator (if applicable). The MSSC requires CVs to be submitted using the Common CV format, the template for which can be found at [https://ccv-cvc.ca](https://ccv-cvc.ca). Before completing and uploading a CV, please review the instructions provided on the [Canadian Common CV website](#). In particular please note the following steps:

1. Once you are on the website, select a preferred language, click "Login" on the top right-hand corner and Register a new account or Login to an existing account.
2. Beside the "Welcome" tab, click on "CV" followed by "Funding".
3. Please select “MSSOC” as the agency and select the Operating Grant Template. Click "Load".
4. Enter all the relevant and necessary information in the form. The CV must include publications (relevant to your project) from the past five (5) years.
5. Once the information is filled in, click "Done". A validation will automatically be performed and errors, if any, will be displayed.
6. Review the CCV via a preview of the PDF. This step will download a copy of the CCV on your computer. **Do not upload this version in Easygrants as it is in draft form.**
7. Once the CCV review is complete, click "Submit". A confirmation number will be provided for your records.
8. Go to the "History" tab to find your completed CCV and download it on your computer as a PDF.
9. In Easygrants, upload the saved CCV in the appropriate section of the application.
Publications
- Full publications and or manuscripts may be uploaded.
- Please upload the relevant publications in the order that you would like them to appear in your application from within the past 5 years.
- Any additional manuscripts that have been accepted for publication after the pilot grant submission deadline must be submitted by e-mail to msresearchgrants@mssociety.ca at least two weeks before the in-person review committee meeting to be considered.

Required Signatures
- Signatures from the Principal Investigator and Co-Principal Investigator (if applicable), Head of Department and Dean of Faculty or Institution are required.
- Electronic signatures will be accepted.
- Template is provided on Easygrants

Appendix
- Additional relevant documents such as letters of support, quotes etc. may be uploaded in the Appendix.

2.3. REVIEW AND SUBMISSION

- Please review the application in full by selecting “View PDF” on the “Review and Submit” page BEFORE the submission.

- It is the applicant’s responsibility to ensure that the submitted application is complete, contains all required components, and adheres to the format and page or word limits assigned. Changes cannot be made to an application once it is submitted.

- Select “Submit” to complete the submission. You will receive a confirmation email of your submission. If you DO NOT receive this email after submitting your application, you MUST contact msresearchgrants@mssociety.ca as soon as possible.

3. ADMINISTRATIVE AND TECHNICAL SUPPORT

The hours of the MSSC’s administrative and technical support for all enquiries related to research funding opportunities are: Monday – Friday, from 9:00 to 16:00 ET

Please direct all questions to msresearchgrants@mssociety.ca.
The MSSC accepts applications in French; please refer to the French MSSC Pilot Grants Application Guidelines for more information.

4. TROUBLESHOOTING
