NOTE: All other sources of funding should be explored before an application will be considered for funding. Once an application has been received the Health Care Professional will be contacted to discuss MS Society funding dollars available. After all sources of funding have been exhausted and if it is still a

hardship for the client/family to cover the remaining portion needed an appeal can be made to the MS Society for additional funding.

E. Release of Information and Contact by MS Society of Canada

The Multiple Sclerosis Society of Canada protects your privacy. The information provided in this form and a brief summary of the service you requested will be entered into our services database. The information will be used to provide you with best services, to provide information about our programs and services and to compile anonymous statistical information.
