
Multiple Sclerosis Society of Canada

IT Acceptable Use Procedures

**Information Technology
Acceptable Use Agreement**

I _____ have read, understand and agree to comply with the IT Acceptable Use Procedures of the Multiple Sclerosis Society of Canada provided to me via this manual. I further understand that if I have any questions or concerns regarding any of the policies or procedures that they may be forwarded to my Executive Director and that a violation of these Procedures may result in disciplinary action, including possible termination, as well as civil or criminal liability.
